Customer's signature on this time sheet certifies that the reported hours are correct. Customer will pay Excel for the hours at the agreed upon rates upon receipt of Excel's invoices. Any hours worked over 40 per week will be billed at the overtime rate of 1 & 1/2 times the regular time bill rate. Payment not received within 10 days is past due and will accrue a late charge of 1 & 1/2 % per month.

Excel's responsibilities are to assign its qualified employees (Assigned Employees) to work under Customer's supervision; to pay their wages and provide the benefits that Excel offers to them (including unemployment insurance and workers' compensation); to maintain their personnel and payroll records; and to pay, withhold, and remit payroll taxes and other legislatively mandated charges related to them. Customer's responsibilities are to properly supervise Assigned Employees; to be responsible for and to safeguard all aspects of its business; to provide safe working conditions and abide by all OSHA and other Safety Laws.

Customer will not entrust Assigned Employees with unattended premises, cash, checks, keys, credit cards, merchandise, confidential or trade secret information, negotiable instruments, or other valuables without the prior written permission of Excel. Customer further agrees not to authorize any Excel employees to operate any motor vehicle, automotive, truck or heavy equipment, or machinery; nor allow an assigned employee to do any work involving ladders, scaffolding or similar equipment without prior written consent of Excel.

Neither Customer nor Excel will be liable to pay or indemnify the other for any incidental, consequential, exemplary, special or punitive, or lost profit damages or expense arising from their staffing relationship.

Excel's conversion policy allows Customer to directly or indirectly hire assigned employee after 520 billable hours to customer with no placement fee. Prior to completion of 520 billable hours Customer may directly or indirectly hire Assigned Employee by paying a fee of 25% of employee's annualized rate of pay from Excel on this assignment.
